[Verse 1]

D **A** **Em7** **Asus A**
When the music fades all is stripped away and I simply come
D **A** **Em7**
Longing just to bring something that's of worth that will bless
Asus A
your heart

[Pre-Chorus]

Em **D/F#** **A** **Em**
I'll bring you more than a song for a song in itself is not
D/F# **A**
what you have required
Em **D/F#** **A** **Em**
You search much deeper within through the way things appear
D/F# **A**
you're looking into my heart

[Chorus]

D **A** **Em**
I'm coming back to the heart of worship and it's all about
D/F# **G** **A** **D**
you, it's all about you Jesus
D **A** **Em**
I'm sorry Lord for the thing I made it when it's all about
D/F# **G** **A** **D**
you, it's all about you Jesus

[Verse 2]

D **A** **Em7** **Asus A**
King of endless worth no one could express how much you deserve
D **A** **Em7**
Though I'm weak and poor all I have is yours, every single
Asus A
breath

[Pre-Chorus]

Em **D/F#** **A** **Em**
I'll bring you more than a song for a song in itself is not
D/F# **A**
what you have required
